**APPROVAL OF THE PAGING
INTERCONNECTION AGREEMENT
NEGOTIATED BY BELLSOUTH
TELECOMMUNICATIONS, INC. AND
PAGE-A-MATIC, INC. PURSUANT TO
SECTIONS 251 AND 252 OF THE
TELECOMMUNICATIONS ACT OF 1996**

DOCKET NO. 02-00408

ORDER APPROVING PAGING INTERCONNECTION AGREEMENT

Based upon the record in this matter and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously approved the Agreement and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.

2) The Agreement is in the public interest as it provides consumers with alternative sources of telecommunications services within the BellSouth Telecommunications, Inc. service area.

3) The Agreement is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the Agreement is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) This is a paging agreement for the provision of commercial mobile radio services and is not an agreement between competing carriers.

6) By approving this Agreement, the Authority does not make a determination that the provision of wireless services to both business and residential customers within the BellSouth Telecommunications, Inc. service area rises to the level of facilities-based competition under 47 U.S.C. § 271(c)(1)(A).

7) No person or entity has sought to intervene in this docket.

8) The Agreement is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

¹ See 47 U.S.C. § 252(e)(2)(B)(Supp. 2001).

IT IS THEREFORE ORDERED THAT:

The Paging Interconnection Agreement negotiated between BellSouth Telecommunications, Inc. and Page-A-Matic, Inc. is approved and is subject to the review of the Authority as provided herein.

Sara Kyle, Chairman

H. Lynn Greer, Jr., Director

Melvin J. Malone, Director
